6.3 Each member shall contribute one (1) day of his accumulated sick leave to the Central Sick Leave Bank and shall give additional days as required. A member who continues to be medically unfit for duty after he has exhausted his sick leave credits may draw from this Central Sick Leave Bank. Before any member is allowed to draw from the Central Sick Leave Bank he must submit a medical report from his physician for consideration by the Association who will determine the member's eligibility to draw from the Central Sick Leave Bank. The decision of the Association with respect to the member's eligibility to draw from the said Bank shall be subject to the approval of the Board.

ARTICLE 7 - PENSIONS

7.1 The Board and the Association mutually agree that each eligible member shall be enrolled and entitled to the pension and benefits provided pursuant to the Ontario Municipal Employees Retirement System Act.

7.2 With respect to the pension described in Article 7.1, the contribution of the Board and of each member shall be in accordance with the rates as prescribed from time to time in the Ontario Municipal Employees Retirement System Act and the regulations made thereunder.

8.2 The salaries of the members shall be paid by the Board at bi-weekly intervals.

ARTICLE 9 - HOURS OF WORK, CALL-BACK & STAND-BY

9.1 (A) The normal weekly period of work for members assigned to an eight (8) hour shift shall be of five (5) days duration and each daily tour of duty shall consist of eight (8) consecutive hours to constitute a work week of forty (40) hours. Such members shall be allowed sixty (60) minutes for lunch. If required, a member shall spend fifteen (15) minutes of his lunch hour writing reports, completing investigations, case preparations, or any other similar requirements

relating to the member's duties before resuming his detail. If a member does not receive at least one-half (1/2) of an hour lunch, he shall be compensated for any lost time at straight time rates.

(B) The normal weekly period of work for members assigned to a ten (10) hour shift shall be forty (40) hours per week, consisting of ten (10) consecutive hours per day, determined by averaging the hours of work. Such members shall be allowed seventy-five (75) minutes for lunch. If required, a member shall spend fifteen (15) minutes of his lunch hour writing reports, completing investigations, case preparations, or any other similar requirements relating to the member's duties before resuming his detail. If a member does not receive at least 35 minutes for lunch, he shall be compensated for any lost time at straight time rates.

(C) The normal weekly period of work for members assigned to a Compressed Work Week ("CWW") shall be set out in Schedule D of this Agreement.

- 9.2 Subject to the exigencies of the service, as determined by the Chief of Police, the days off in each week of those members who are engaged in shift work shall be consecutive and such days off shall be so designated that all such members are off work approximately the same number of weekends during the calendar year.

Call-back

- 9.3 (A) "Call-back" means the calling back of a member to duty after he has reported off duty and before his next following period of duty, but does not include call-back to face disciplinary action or call-back not more than one hour prior to a member's regular period of duty where the member is given compensating time off therefore at the end of such period of duty, nor shall it include any additional duty which has been previously posted or where a member has received at least seventy-two (72) hours notice, in writing or verbally, provided that such time is confirmed on the posted duty roster that such additional duty has to be performed.

(B) Call back compensation will be calculated based on the time members physically report for duty at the building to which they are normally assigned or the location to which they are called out.

(C) Call back compensation will be calculated based on the time the call back is received for members assigned to the following units only: Child Abuse; Sexual assault; Hold up; Special Services; Drugs and Vice Auto/Cargo Recovery; Intelligence; Homicide; Forensic Identification; Emergency Response Unit; Air Support; Canine; Incident Response (Public Order and Search and Rescue); Marine/Underwater Recovery; Traffic Collision Reconstruction; Professional Standards; Corporate Communications; High Risk Offender Unit; and Information Technology."

In certain circumstances, and with the prior approval of a Senior Officer, members of the units listed in 9.3(C) above, may complete the call back

requirements without the member physically reporting for duty at the building to which he is normally assigned or the location to which he is called out, as required in 9.3(B). In the event that the member appropriately completes a call back without physically attending at the location to which he is normally assigned or called out, a Senior Officer must sign off on the completion of the call back.

(D) The member shall be credited with three (3) hours at time and one half for the first hour or part thereof of each call-back. The member shall be credited for overtime, in accordance with Article 10.2, upon the completion of the first hour of each call-back. No additional call-back will be paid for consecutive shifts that result from the original call-back incident.

(E) When a member, through no fault of his/her own, is called-back on any occasion during his annual leave or a statutory holiday, the member shall be granted two (2) days extra leave in compensation for the first day or any part thereof. Such extra leave shall be consecutive days. The member shall be paid any reasonable expense incurred by him as a result of his return from vacation. For the purpose of clarity, the member's vacation days shall not be restored to his/her bank in the event of a return from vacation pursuant to this article.

Scheduling

9.4 The days and hours of work of each member shall be decided by the Chief of Police and subject to the requirements of the service. The Chief of Police shall, in determining such days and hours of work give consideration to designating the days and hours of work so that:

- (a) No member shall be required to work a shift of less than eight (8) hours.
- (b) There shall be at least eight (8) hours off duty between shifts.
- (c) A member assigned to rotating shifts shall, subject to the exigencies of the service, regularly rotate from one shift to another so that an equal amount of time will be spent by a member on each shift, providing, however, that by mutual consent between a member and the Officer in Charge of his District, a member may spend more time on one shift than any other; and,
- (d) Where possible, permanent changes in the scheduling of a member's days and hours of work will be discussed with the Association in advance of the implementation of such changes.

9.5 Deleted

9.6 Members' Daily Duty Roster shall be posted six (6) weeks in advance of each shift but such Daily Duty Roster shall be subject to change depending on the exigencies of the service as determined by the Chief of Police.

Stand-by

- 9.7 Members who are required to be on “stand-by” – defined as those occasions where a member is directed or scheduled by a Senior Officer to be personally available to report for work and capable of performing duties without impairment of any kind – shall be provided with two (2) hours in their overtime bank for every day that they are so directed and scheduled.

Members on stand-by must be 1) immediately accessible by telephone or pager, 2) must report for duty within one (1) hour and fifteen (15) minutes of notification, barring exceptional and uncontrollable circumstances, 3) must be capable of performing duties without impairment of any kind at all times and 4) may not refuse the call-out. It is understood and agreed that answering telephone calls without being directed or scheduled as on stand-by by a Senior Officer is not compensable as stand-by duty.

In the event that a member on stand-by is required to attend at work the member shall also be compensated in accordance with the call-back provision in addition to any other applicable provisions of this agreement.

ARTICLE 10 - OVERTIME

- 10.1 (A) "Overtime" means time continuously spent on duty of at least thirty (30) minutes duration over a member's normal hours of duty on any shift.

(B) "Year" means calendar year.

- 10.2 Overtime worked on any shift shall be calculated to the nearest hour or half hour, as the case may be.

- 10.3 Overtime, subject to the provisions of Article 11.4 (A), 11.4 (B), 11.5 and 11.6, shall accumulate and shall be recorded at the rate of one and one half (1-1/2) hours for each additional hour of overtime worked, or pro rata.

- 10.4 A member may elect to take time off in lieu of payment in cash for any or all of the recorded overtime accumulated to the credit of the member. When payment is requested it shall be processed in a timely fashion.

If a member elects to have time off in lieu of any or all of his recorded overtime, such time off in lieu shall be subject to the exigencies of the service and approval of the Chief of Police or his or her designate. The time off so approved shall be deducted from the member's recorded overtime balance.

In any event, all recorded overtime standing to the credit of the member on December 31st of each calendar year shall be paid, at the member's then hourly rate of pay, on or before January 31st of the next calendar year.

A member may elect to carry over a portion of his overtime, not to exceed forty (40) hours (48 hours in the case of members working a Compressed Work Week as outlined in Schedule D), to the following year for the purpose of taking time

off in lieu of payment in cash. In order to take advantage of this option, each member must advise the Chief of Police, in writing, of his or her intention to do so by November 30 of the calendar year in which the overtime was earned and must commit to taking the time in lieu.

Such time off must be taken prior to the end of the next calendar year or, if appropriate, it will be paid out to the member at the base rate applicable at December 31 in the year in which it was earned. Such overtime carried over must not be taken in peak times, defined as June 15th through September 15th and December 15th through January 2nd, and is subject to the exigencies of the Service and approval of the Chief of Police or his designate. It is further understood and agreed that the scheduling of any carried over overtime will not result in any member's scheduled vacation being cancelled or bumped, regardless of seniority.

- 10.5 An accurate record shall be kept in which all overtime is properly credited to the member.

ARTICLE 11 - COURT ATTENDANCE

- 11.1 "Court" includes a commission of inquiry, including a departmental trial or hearing and a statutory tribunal.

- 11.2 (A) "Court time" means time spent by a member during his off duty hours in attendance before any court under subpoena or court appearance notice or as otherwise authorized by the member's supervisor where the member attends court in his capacity as a member of the Police Service. Court time shall not include time spent in court for personal reasons.

(B) No member shall be entitled to call-back time, court time or overtime by reason only of his appearance before any tribunal as a person charged under the provisions of the Police Services Act of Ontario or any Regulations made pursuant thereto.

(C) A member served with a jury notice requiring attendance at court shall forthwith notify his immediate supervisor. The member shall be paid for the time actually spent on jury duty provided such member furnishes to his immediate supervisor a written statement from a proper public official certifying as to the date and time of the member's attendance for jury duty and the amount of such remuneration paid to him other than mileage and meal allowances. A member called for jury duty and who is temporarily excused from such duty must report for work if a reasonable period of time remains to be worked in his shift.

- 11.3 "Court sessions" for the purpose of this section shall mean either: (1) a sitting of the court commencing with its opening in the morning and terminating in its adjournment for lunch; or (2) a sitting commencing after lunch and adjourning for the evening or for an evening meal; or (3) a sitting commencing in the evening as a night court or after an evening meal until its adjournment. Any of the three (3) aforementioned sittings or part thereof shall, for the purpose of calculating court time, each constitute a separate court session.

- 11.4 (A) Subject to the provisions of Section 11.4 (B), 11.5, 11.6 and 11.8, for the purpose of recording and calculating compensation, court time shall be treated as overtime with a minimum of four (4) hours for each separate court session thereof and shall be paid in accordance with Section 10.4.
- (B) When a member is required to attend a morning court session as defined in Section 11.3 (1), after he has worked a shift that ends at 3 a.m. or later, the member's accumulated overtime record shall be credited, at straight time, from the later of the actual time between the completion of the member's tour of duty, which shall include any regular overtime worked by the member after the end of his shift or 6 a.m., for member's whose shifts end at 6 a.m. or earlier, or 7 a.m. for member's whose shifts end at 7 a.m. or later, to the commencement time of the morning court session, but no later than 9 a.m.. Any time worked by a member after his or her regular tour of duty shall be paid at overtime rates. Any time credited to the member's accumulated overtime record in accordance with this provision shall be paid in accordance with Section 10.4 (A).
- 11.5 When a member, through no fault of his/her own, is required to attend at court on any occasion during his/her annual vacation the member shall be granted three (3) extra days leave in compensation for the first day or part thereof and thereafter a day of extra leave for each day or part day in court, in addition to court time in accordance with Article 11.4. Such extra leave shall be consecutive days. The member shall also be paid any reasonable expenses incurred by him/her as a result of his/her return from vacation. For the purposes of clarity, the member's vacation days shall not be restored to his/her bank in the event of return from vacation pursuant to this article.
- Effective January 1, 2017, this Article shall be interpreted in accordance with the member's regularly scheduled shift, inclusive of eight (8), ten (10) or twelve (12) hour shifts.
- 11.6 Where the court before which the member attends is located outside the Regional area, and where the member is required to travel on off-duty time, he shall be credited with three (3) hours for traveling at straight time and paid in accordance with Article 10.4. **(Amended effective April 13, 2010)**
- 11.7 (A) When a member is entitled to the payment of a fee and/or expenses from a Court, the member shall be responsible for the collection of such monies from the Court. Upon receipt of such monies from the member, his Unit Commander shall pay the member his allowance in accordance with the provisions of this Agreement. If the member is not entitled to the payment of a fee and/or expenses from a Court, his Unit Commander shall pay the member his allowances, in accordance with the provisions of this Agreement, upon request by the member after his attendance at court.
- (B) When a member who is not scheduled for duty is required by summons or directed by a supervisor to attend Court outside The Regional Municipality of York boundaries, he shall be entitled to the payment of a mileage allowance for the actual kilometres he travels, in his own vehicle, from his place of departure being either his normal District Detachment or his home, to the place of the Court and return. Such payment is to be equated at the going rate set by The Regional

Municipality of York in effect at that time. **(Amended effective July 2, 2009)**

Mileage for members attending court on a day they are scheduled for duty is covered by Article 20.

- 11.8 When a member is required to attend Court during his normal tour of duty and is prevented from going off duty at his normal time, such overtime that is spent in the service of the York Regional Police shall be credited hour for hour to the member's accumulated overtime.
- 11.9 With the consent of the Chief of Police or his/her designate and by mutual consent of a member and their supervisor, a member may be excused from duty on a night shift if he has made two (2) or more appearances in court preceding the night shift. Such time off shall not be unreasonably withheld and shall be deducted from any overtime to which the member may then be or thereafter entitled. For the purposes of clarity, the court appearances are required to be on the same day as the excused night shift.
- 11.10 When a member who has retired and is in receipt of an OMERS pension is required to attend court resulting from his/her duties as a member of York Regional Police, he/she shall be compensated for such attendance at the rate of \$200 per day.

ARTICLE 12 - ANNUAL VACATION

- 12.1 Each member of the bargaining unit shall be entitled to vacation with full pay on the following basis:

A member shall become entitled to increased vacation after the first day of January in the year in which the anniversary of the requisite period of service falls, unless the member resigns prior to the anniversary date. For purposes of calculating vacation entitlement under Article 12.1 only, it is agreed and understood that service with the York Regional Police or as a member of one of the police forces of the former municipalities of the County of York shall include all time spent as a cadet, sworn officer or civilian. Service shall also include "outside service", defined as time spent as a cadet, sworn officer or civilian member of any recognized Canadian police service, including military police. It will be the member's responsibility to provide proof of Outside Service, which shall consist of a signed letter from an authorized representative of a recognized Canadian police service, including military police, confirming start and end dates of employment as well as positions held.

- 12.4 A member who leaves the York Regional Police after receiving his annual vacation and prior to the completion of that year, shall have a proportionate number of days salary deducted from any salary due him.
- 12.5 A member who dies prior to receiving his annual vacation in that year, shall have paid to his estate any amount equal to the salary that would have been paid to him on account of his vacation.

- 12.8 A member who is medically unfit for duty at the time of the commencement of his scheduled vacation as a result of an injury or illness 1) compensable under the Workplace Safety and Insurance Act and in receipt of benefits from the Workplace Safety and Insurance Board or 2) for which medical documentation has been provided and which has resulted in an approved medical leave or being unfit for regular duties each for 30 days or more, shall be entitled to reschedule his vacation, provided the vacation as rescheduled is taken before December 15th of the calendar year in which the injury occurred, or December 31st of that year if approved by the Chief of Police, such approval not to be unreasonably withheld. If the member remains medically unfit for duty such that the rescheduled time is not taken by December 31st as aforesaid, the member shall be entitled to choose to either (1) receive in the first pay period of the following calendar year an amount equal to the salary he would normally receive in respect of the vacation time not taken or (2) carry over the vacation to the following year, to be scheduled as approved by the Chief or his designate. A member who is on suspension, either paid or unpaid, and who has not scheduled his vacation for the year shall do so as soon as requested and, once such vacation time is approved, shall not be required to report in during the scheduled vacation time.

Where a member submits an incomplete application prior to the start date, the employer will make reasonable efforts to advise the member as quickly as possible that the application is ineligible for consideration so the member can take steps to complete the application.
 5. A member who begins a course without receiving notification that his or her course was approved for reimbursement, does so at the risk of the course not being approved.
- (D) Approved facilities shall not be limited to colleges or universities, but the educational facility that offers the course must be Canadian. An educational facility is “approved” for the purposes of paragraph A(ii) if it meets the following criteria:

Alternate members shall receive training with regular members but shall only participate in the JJEK in the absence of regular members. All JJEK members will be released from their duties with pay for periods of time spent working on the JJEK, including approved training sessions.

Clarity Note:

The intent of the parties is to create a JJEK with equal representation on behalf of the Association and Board. and maintenance of the Plan and the Pay Equity Plan.

- 26.5 When the employer introduces a new bargaining unit job or changes the duties and responsibilities of a job, the following procedures shall apply:
- a) The employer shall prepare a draft job description for the job. In the case of changes in the duties and responsibilities of a job, the employer shall review the draft job description with the incumbent and his/her supervisor. Where the employer reviews the draft job description with the incumbent, a representative of the Association is entitled to be present and to participate in such review.
 - b) The JJEC shall meet to establish a temporary pay grade for the job, based on the draft job description.
 - c) The job shall be posted and any person appointed to the job shall be paid the temporary pay grade.
 - d) After one (1) year from the appointment of one or more incumbents in the job, a Job Questionnaire shall be completed and submitted to the JJEC. The JJEC shall rate the job in accordance with the Plan, and the pay grade for the job shall be the effective date of commencement of the job, provided that no employee will have their wages reduced following the evaluation of their job and establishment of the rate for the job as set out herein. If the job is rated at a pay grade with salary range lower than the temporary pay grade, all employees in the job shall be red circled at the prior or temporary pay grade.
- 26.6 When an employee believes that there has been a significant change to the duties and responsibilities of his/her job, the following procedures shall apply:
- a) The employee(s) or the supervisor or the Association may request a job evaluation review in writing.
 - b) The request shall be reviewed by a sub-committee of the JJEC, consisting of one representative of each party, to determine whether the job should be referred to the JJEC for re-evaluation. The sub-committee may request further information from the incumbent(s) and/or supervisor/employer, including an up-to-date Job Questionnaire, and/or interview with the incumbent(s) and/or supervisor/employer to make its determination. The sub-committee shall record its decision in writing.
 - c) All jobs shall be rated in accordance with the plan to determine the pay grade for the job(s).
 - d) No employee will have their wages reduced following the re-evaluation of their job and the establishment of new pay grade. If the job is rated at a pay grade with a salary range lower than the current wage rate for the job, all incumbents of such job shall be red-circled.
 - e) If the job is rated at a pay grade with a salary range higher than the current wage rate for the job, the employee's rate of pay shall be adjusted to the

higher pay level on the new salary schedule, retroactive to the date of the request for re-evaluation.

- f) Where the Sub-Committee of the JJEC determines that the job is already paid in accordance with the Plan and therefore should not be referred to the JJEC for re-evaluation, the employee shall have a right of appeal to the JJEC, which shall rate the job in accordance with the Plan in accordance with the provisions of this Article.
- g) In the event that the JJEC reaches an agreement as to the pay grade for the job on an appeal under this Article, the employee may refer to mediation and/or conciliation and/or arbitration in accordance with the provisions of Article 26.7 in the event he/she is able to persuade the membership of the Association to support such action.

26.7 In the event the JJEC is unable to reach an agreement on any matter relating to the interpretation, application or administration of the Plan, either party may refer the dispute to a mediator who shall be selected by the parties. If the parties cannot agree on a mediator, either party may request the Arbitration Commission to appoint a conciliator. If mediation/conciliation does not resolve the dispute, either party may refer the dispute to arbitration in accordance with the Schedule "B" of this agreement and the Police Services Act.

26.8 In the event the JJEC is unable to reach agreement on the pay grade for a job under Article 26.5 or 26.6, the employee in the job or either party may refer the dispute to mediation and/or conciliation and/or arbitration in accordance with the provisions of Article 26.7.

26.9 The parties agree that the JJEC is best able to perform its tasks when its members are adequately trained and when it is provided with accurate information. As a result, the parties agree that new members of the JJEC shall receive adequate training on how to perform their job and existing members shall have access to such training if requested. In addition, an employee or supervisor will be offered training/assistance in filling out any Job Questionnaires in order to minimize the potential for error. That information training/ assistance may be provided by any member of the JJEC or any person appointed by the JJEC without disqualifying such person from participating in the process or deliberations under this Article.

26.10 Nothing in this agreement will preclude any member or either party from exercising their rights pursuant to the Pay Equity Act.

(i) where the Board is not joined in the action as a party pursuant to s. 50 of the Police Services Act, and the Board does not defend the action on

behalf of itself and the member as joint tortfeasors at the Board's sole expense;

retainer and/or for interim payment of legal costs as reasonably requested by the member's counsel to a maximum of \$5,000.00 provided the member undertakes to indemnify the Board for such funds advanced to him if the member is finally determined not to be eligible for indemnification in accordance with this Agreement.

If the member is off work the time period shall not run until the member returns to duty. Failure to provide notice will not affect the validity of any discipline.

A member has the right to be represented by the Association throughout the discipline process. Once the member chooses to be so represented, management will thereafter provide copies of all disciplinary documents to the Association.

- 34.2 A member subjected to discipline under this section is entitled to have the record of that discipline expunged from his/her record two (2) years after he/she was served such discipline, if no other misconduct occurs during the two (2) year period. Where there is no qualified candidate amongst full-time employees, the candidates in the second category are entitled to be considered for the vacancy in priority to candidates in the third and fourth categories. 35.5

Where these factors are relatively equal among competing applicants, service with the York Regional Police shall govern.

(B) When a member who is not scheduled for duty is required by summons or directed by a supervisor to attend Court outside The Regional Municipality of York boundaries, he shall be entitled to the payment of a mileage allowance for the actual kilometres he travels, in his own vehicle, from his place of departure being either his normal District Detachment or his home, to the place of the Court and return. Such payment is to be equated at the going rate set by The Regional Municipality of York in effect at that time. **(Amended effective July 2, 2009)**

Mileage for members attending court on a day they are scheduled for duty is covered by Article 20.

11.8 When a member is required to attend court during his normal tour of duty and is prevented from going off duty at his normal time, such overtime that is spent in the service of the York Regional Police shall be credited hour for hour to the member's accumulated overtime.

11.9 With the consent of the Chief of Police or his/her designate and by mutual consent of a member and the Unit Commander of his District, a member may be excused from duty on a night shift if he has made two (2) or more appearances in court preceding the night shift. Such time off shall not be unreasonably withheld and shall be deducted from any overtime to which the member may then be or

thereafter entitled. For the purposes of clarity, the court appearances are required to be on the same day as the excused night shift.

- 11.10 When a member who has retired and is in receipt of an OMERS pension is required to attend court resulting from his/her duties as a member of York Regional Police, he/she shall be compensated for such attendance at the rate of \$200 per day.

ARTICLE 12 - ANNUAL VACATION

- 12.1 Each member of the bargaining unit shall be entitled to vacation with full pay on the following basis:

A member shall become entitled to increased vacation after the first day of January in the year in which the anniversary of the requisite period of service falls, unless the member resigns prior to the anniversary date. For purposes of calculating vacation entitlement under Article 12.1 only, it is agreed and understood that service with the York Regional Police or as a member of one of the police forces of the former municipalities of the County of York shall include all time spent as a cadet, sworn officer or civilian. Service shall also include “outside service”, defined as time spent as a cadet, sworn officer or civilian member of any recognized Canadian police service, including military police. It will be the member’s responsibility to provide proof of Outside Service, which shall consist of a signed letter from an authorized representative of a recognized Canadian police service, including military police, confirming start and end dates of employment as well as positions held.

- (a) Less than one (1) year of service - one (1) working day (8 hours) for each full month of service in the year first employed up to a maximum of ten (10) working days (80 hours).
- (b) One (1) year of service and less than five (5) years of service fifteen (15) working days (120 hours).
- (c) Five (5) years of service and less than ten (10) years of service eighteen (18) working days (144 hours).
- (d) Ten (10) years of service and less than fifteen (15) years of service twenty (20) working days (160 hours).
- (e) Fifteen (15) years of service and less than twenty (20) years of service twenty-five (25) working days (200 hours).
- (f) Twenty (20) years of service and less than twenty-five (25) years of service thirty (30) working days (240 hours).

- (g) Twenty-five (25) years of service and less than thirty (30) years of service thirty-five (35) working days (280 hours).
- (h) Thirty (30) years of service and more thirty-five (35) working days (280 hours), plus one (1) additional working day of vacation (8 hours) for each additional year of service. **(Amended effective January 1, 2009)**

12.2 A member may make application to the Board through the Chief of Police for permission to take his full vacation period consecutively any time during the year.

12.3 A member who leaves the York Regional Police prior to receiving his annual vacation in that year shall be given a proportionate number of days of his vacation before his name is removed from the pay sheet or before his resignation becomes effective.

12.4 A member who leaves the York Regional Police after receiving his annual vacation and prior to the completion of that year, shall have a proportionate number of days salary deducted from any salary due him.

12.5 A member who dies prior to receiving his annual vacation in that year, shall have paid to his estate any amount equal to the salary that would have been paid to him on account of his vacation.

12.6 Selection of annual vacation for vacation days to which members are entitled as a result of service as a member of York Regional Police must be submitted no later than October 15th of the preceding year. Modification shall be allowed subject to the approval of the Chief or his designate.

Additional vacation time to which members are entitled as a result of Outside Service shall be submitted in a second round of vacation selection no later than November 15th of the preceding year. Modification shall be allowed subject to the approval of the Chief or his designate.

On December 1, the Board shall provide members with written notice indicating any time left in the member's vacation bank that remains unscheduled for the upcoming year. The member shall have until December 15 to schedule any remaining unscheduled vacation hours failing which the remaining hours may be assigned by the Chief or his designate in consultation with the member. **(Amended effective January 1, 2009)**

12.7 (A) In allocating dates for annual vacations, service as a member of the York Regional Police shall prevail, subject to the approval of the Chief of Police and the exigencies of the service and the following:

1. Not more than 15% of the members assigned to the same platoon shall be granted vacation at the same time. **(Amended effective July 2, 2009)**

2. Each member may select his entire annual vacation entitlement in accordance with this article and the policy of the York Regional Police.
3. Annual vacation dates shall be selected in blocks of four (4) consecutive tours of duty equalling forty-eight (48) hours, eight (8) hours of which shall be deducted from the member's accrued time. If the member does not have any accrued time to his credit, such time owing may be deducted from his overtime or paid holiday time bank.
4. For the purpose of recording and calculating compensation under the provisions of Section 11.5, a block of vacation time shall include the member's three (3) off days immediately following the block. Where a member takes two (2) consecutive blocks of vacation the member's two (2) days off preceding the second vacation block shall be included as vacation and not the two (2) off days following the vacation block.

(B) Subject to paragraph (A), supervisors and assistant supervisors shall select their vacation by seniority against other supervisors and assistant supervisors in the same unit and, if applicable, in the same platoon, in order to ensure adequate supervisory coverage in each unit and on each platoon. For purposes of clarity, supervisory personnel shall select their vacation independently of non-supervisory personnel.

12.8 A member who is medically unfit for duty at the time of the commencement of his scheduled vacation as a result of an injury or illness 1) compensable under the Workplace Safety and Insurance Act and in receipt of benefits from the Workplace Safety and Insurance Board or 2) for which medical documentation has been provided and which has resulted in an approved medical leave or being unfit for regular duties each for 30 days or more, shall be entitled to reschedule his vacation, provided the vacation as rescheduled is taken before December 15th of the calendar year in which the injury occurred, or December 31st of that year if approved by the Chief of Police, such approval not to be unreasonably withheld. If the member remains medically unfit for duty such that the rescheduled time is not taken by December 31st as aforesaid, the member shall be entitled to choose to either (1) receive in the first pay period of the following calendar year an amount equal to the salary he would normally receive in respect of the vacation time not taken or (2) carry over the vacation to the following year, to be scheduled as approved by the Chief or his designate. In the event that the member chooses to carry over the vacation to the following year, the time must be taken prior to the end of the following calendar year.

In the event that the carried-over time is not taken prior to the end of the following calendar year, the member shall receive a payout at the salary rate applicable when the vacation time was earned. It is further understood and agreed that regardless of seniority, no scheduling of any carried over vacation time will result in any member's scheduled vacation being cancelled or bumped.

12.9 A member who is on suspension, either paid or unpaid, at the time of the

commencement of his scheduled vacation, shall not be required to report in for the period of his scheduled vacation. A member who is on suspension, either paid or unpaid, and who has not scheduled his vacation for the year shall do so as soon as requested and, once such vacation time is approved, shall not be required to report in during the scheduled vacation time.

- 12.10 When the exigencies of the service prevent properly scheduled or assigned vacation entitlement from being taken by December 31st in any one (1) calendar year, the member shall receive in January of the following calendar year, an amount equal to the salary he would normally receive in respect of the unused entitlement. **(Amended effective January 1, 2009)**

Letter of Understanding

Part-time and Temporary Employees

Schedule "E"

NOTE: The amended Schedule E, set out below, shall come into force upon the execution of a Letter of Understanding between the parties regarding the temporary and/or part-time employment of civilian retirees. Until such time, Schedule E appended to the previous Civilian Working Agreement remains in force.

WHEREAS the parties have been discussing issues surrounding the hiring of Temporary and/or Part-time Employees and outstanding grievances with respect to calculation of service,

AND WHEREAS the parties wish to resolve all such matters and record the resolution of such matters by way of a Letter of Understanding which shall amend the provisions of the Civilian Working Agreement and be enforceable under the Agreement,

THE PARTIES now therefore agree as follows:

1. All members covered by the Civilian Working Agreement shall be full-time permanent members except as specifically otherwise provided in this Schedule.

Temporary Members

2. Temporary members may be hired for a period exceeding four calendar weeks, but not on a continuing basis:
 - a) to take the place of a permanent member who is absent on a leave of absence, including pregnancy/parental leave, extended periods of sick leave or compensable injuries;
 - b) to perform a special project for a fixed period of time;
 - c) in accordance with the Job Share Agreement.
3. Temporary members shall be paid and receive the benefits of the Civilian Working Agreement, as provided in this Agreement, except job security. Temporary employees are entitled to consideration for all posted vacancies after full-time permanent members and part-time members have been considered, but before consideration is given to outside applicants.
4. Temporary members will not be hired for a period exceeding one year except with agreement of the Association, whose agreement shall not be unreasonably withheld. The Board agrees to provide the Association with notice of all temporary positions posted and all temporary members hired.

Posting of Temporary Vacancies

5. When a vacancy occurs by reason of a leave of absence, including pregnancy/parental leave, or extended illness or injury, which is expected to exceed six months, such vacancies shall be posted and filled in accordance with the Job Selection provisions of the Civilian Working Agreement.

Note: Full-time permanent members are to be considered for all postings before either temporary or part-time employees are considered.

Part-time Members

6. The Board may hire a maximum of twenty (20) part-time members to work regularly but not more than 24 hours per week. The number of part-time members shall not exceed fifteen (15%) percent of the number of full-time members in either the Court Services or Communications Bureau unless otherwise expressly agreed to by the parties. It is agreed that the restriction contained within this article is not applicable to retired part-time employees who shall be dealt with through a separate letter of understanding.

Restrictions

7. Temporary and part-time members shall not be hired if doing so will either eliminate or displace a full-time employee or if doing so permits the York Regional Police to avoid hiring a full-time member or to circumvent any of the other provisions of the Working Agreement. It is agreed that there is no requirement to offer overtime hours to full-time members before meeting staffing needs through hiring a part-time member.
8. No member within the scope of this Agreement shall be laid off as a result of the Board contracting out work normally performed by the bargaining unit.

Overtime (Court Bureau and Communications)

9. Overtime rosters will be developed amongst the members of the Court Bureau and Communications Branch willing to work overtime and will operate by assigning members to overtime in a manner similar to the assignment of pay duties to members of the Uniform Working Agreement. However, overtime will be offered first to full-time members in the Court Bureau and Communications Branch before being made available to temporary or part-time members.

Access to Postings:

10. Consideration of candidates for all postings shall be as follows:
 - i) full-time members;
 - ii) part-time members;
 - iii) temporary members;

- iv) outside applicants.

If a qualified candidate in the first category applies for a job he or she is entitled to be considered for the vacancy in priority to any candidate in the second, third or fourth category. Similarly, where there is no qualified candidate amongst full-time employees, the candidates in the second category are entitled to be considered for the vacancy in priority to candidates in the third and fourth categories. Where no qualified full-time or part-time member applies for the vacancy, the temporary members are entitled to consideration for the vacancy in priority to outside applicants.

Association Membership and Dues

- 11. The Association shall determine its requirements for membership. Dues shall be as set by the Association from time to time for all members of the bargaining unit. The Association shall notify the Board in writing of its Dues structure and any changes thereto.

Service and Probationary Period

- 12.(i) Service shall be calculated on the basis that one year is equivalent to 2,080 hours and shall be pro-rated for part-time members based on hours worked.
- (ii) A full-time permanent member reverting to a part-time position shall carry his or her service and seniority over and continue to accrue seniority on a pro-rated basis based on hours worked. Such members shall continue to be entitled to service pay in accordance with Article 24.1 of the Working Agreement on a pro-rated basis depending upon hours worked.
- (iii) Where a part-time member is awarded a permanent full-time position, the member shall be credited any part-time service with York Regional Police completed within the 24 month period prior to being hired on a permanent full-time basis. Where a temporary member is awarded a permanent full-time position, the member shall be credited with any temporary service completed within the 24 month period prior to being hired on a full-time basis, except that a break in service of 90 days or more shall break continuous service for the purposes of this provision.
- (iv) Service calculated in accordance with 12 (ii) or (iii) shall be recognized for the purposes of vacation leave entitlement, vacation selection, seniority and placement on the salary grid, as set out below.
- (v) Where a temporary member is awarded a permanent position he/she shall serve a probationary period of six (6) months less continuous hours worked, provided that the probationary period is not less than three (3) months in length.
- (vi) The probationary period for part-time members shall be 1,040 working hours.

Salary and Overtime

- 13.(i) Temporary members shall be paid on an hourly basis at the hourly rate of the appropriate salary range shown in Schedule "A". Temporary members will be entitled to overtime in accordance with Article 10 of the Working Agreement. Those members working full-time hours on a 12 hour shift shall be entitled to accrued time in accordance with the Civilian Working Agreement, except that such entitlement shall be pro-rated where a member works only part of a year. Temporary members on part-time hours (ie. job sharing) shall be paid for hours worked and shall only be entitled to overtime for hours exceeding both their regular hours in a day and 24 hours in a week.
- (ii) Temporary and part-time members shall be eligible for advancement to the next level of the appropriate salary range after completing the equivalent number of continuous hours.
- (iii) Where a temporary or part-time member is awarded a permanent position within the same classification as the temporary or part-time position he/she held the member's continuous service shall be recognized for placement on the salary grid.
- (iv) In all other cases the member will be placed at the starting rate for the new classification or placed at the first step in the classification that is higher than his/her temporary rate if the minimum is less than his/her temporary rate.

Benefits and OMERS

- 14.(i) Temporary members whose assignment is three (3) months or less shall be paid 14% of their regular straight time hourly rate in lieu of insured benefits and sick leave. Temporary members assigned for a term exceeding three (3) months shall have the option to participate in the extended health and dental benefit plans in accordance with the Civilian Working Agreement or be paid 14% of their regular straight time hourly rate in lieu of insured benefits and sick leave. Participation in the extended health and dental plan shall be on a pro-rata co-insured basis for temporary employees working part-time hours.
- (ii) Part-time members are entitled to fourteen percent (14%) of their regular straight time hourly rate in lieu of insured benefits and sick leave.
- (iii) Temporary and part-time members are entitled to enrolment in the Ontario Municipal Employees Retirement System (OMERS) according to the rules and regulations set out in the OMERS plan.
- (iv) Entitlement to pregnancy and parental leave shall be in accordance with the Article 13 of the Working Agreement. Temporary and part-time members will not be eligible for top-up benefits during pregnancy and/or parental leave.
- (v) Part-time and temporary members shall be entitled to the special allowances provided in Article 16, with the exception of the benefits provided under Article

16.4 (Course Reimbursement).

Vacation and Statutory Holidays

- 15.(i) Vacation entitlement for temporary members shall be in accordance with the Civilian Working Agreement. Vacation entitlement for temporary members working part-time hours shall be calculated on a pro-rated basis upon completion of equivalent full-time hours worked in a calendar year. For example:
 - a) 24 hours per week equals .6 of full-time hours;
 - b) 2 weeks (80 hours) vacation would be pro-rated to 48 hours;
 - c) 3 weeks (120 hours) vacation would be pro-rated to 72 hours.
 - (ii) Temporary members shall be entitled to the holidays provided in Article 12 of the Civilian Working Agreement but the holiday pay shall be pro-rated based on the hours worked on a weekly basis (ie. 20 hours/week equals 4 hours per holiday; 24 hours per week equals 4.8 hours per holiday). Holiday pay shall also be pro-rated for temporary members who work less than a full calendar year.
 - (iii) Part-time members shall be entitled to four (4%) salary for vacation pay, which shall be calculated for each pay period. If a part-time employee is required to work on paid holiday as defined by Article 14 of the Collective Agreement, he/she will be paid time and one-half his/her regular rate. Such employee shall also be paid his/her regular wages in addition to the premium rate for the hours he/she works.
 - (iv) For the purposes of Article 12, progression to the next level of vacation entitlement shall be based upon one year's service being equal to 2,080 hours.
16. Except as expressly provided herein, the provisions of the Civilian Working Agreement apply to temporary and part-time members. Where the provisions of this Agreement are in conflict with the provisions of the Working Agreement, the provisions of this Agreement shall prevail.

SCHEDULE “F”

CIVILIAN JOB SHARE

1. Background

- 1.1 The purpose of job sharing is to accommodate the personal needs of a member. The goal of this agreement is to permit job sharing to occur with minimal impact on efficiency or productivity by allowing two civilian members to share equally the duties and responsibilities of one full-time position.
- 1.2 The provisions of Schedule “F” take precedence over the other provisions of the Civilian Working Agreement where there is a conflict.
- 1.3 Schedule “F” shall apply to any job share agreements entered into on or after September 22, 2000.

2. Definitions

- (a) “Job Share” means that two members occupy one complement position, the duties of which they are both qualified to perform, so that they equally share the responsibilities, remuneration and benefits of that position.
- (b) “Participant” means a permanent full-time member who is participating in a Job Share.

3. Eligibility

- 3.1 To participate in a Job Share, a Participant must be a civilian member of York Regional Police who has completed their probationary period.

4. Commencement of a Job Share

- 4.1 A Job Share Committee shall be established, comprised of an equal number of representatives from the Association and Board.
- 4.2 The Job Share Committee shall maintain a list of members who may be interested in participating in a Job Share.
- 4.3 A member interested in participating in a Job Share shall submit a written application to the Job Share Committee, specifying the proposed terms of the Job Share. The interested member shall provide as much notice as possible. It is generally expected that it will take at least a minimum of three months between application date and the commencement date of any Job Share. The parties recognize that some applications may take significantly longer and likewise agree to process applications as quickly as possible when there is urgency.
- 4.4 Where only one member makes application to participate in job sharing, the Board shall attempt to determine the interest of other members in participating in a Job Share arrangement through a posting procedure. Where more than one member applies to

participate in the Job Share, the senior qualified candidate shall be selected.

- 4.5 If a second qualified member cannot be found internally, the Board may hire a temporary member to participate in the Job Share arrangement. The hiring of a temporary member shall be in accordance with Schedule "E" of the Civilian Working Agreement, and the terms and conditions of employment for the temporary member hired pursuant to this section shall be governed by Schedule "E".
- 4.6 If a job sharing partner is not found through the procedures set out in paragraphs 4.4 and/or 4.5 above, the Committee will make a recommendation to the Board with respect to part-time employment where the member who applied for Job Share can be accommodated in a part-time position. If the member is approved for part-time employment, the provisions of this Agreement shall apply to that member as if he/she was a Participant.
- 4.7 At the completion of the posting process, the Job Share Committee shall review the proposed Job Share arrangement and make a recommendation to the Board within 30 days, taking into consideration the needs of York Regional Police and the needs of the member(s).
- 4.8 The Board shall not reject a member's application unreasonably and the member shall have the right to grieve any such decision by the Board. The parties acknowledge that Job Share arrangements must take into account the needs of the Service. This may result in the need to limit the number of Job Share arrangements that may be in place at one time. The parties will meet on a regular basis to monitor this agreement and to make whatever amendments or agreements are necessary to balance the accommodation of the personal needs of the members and the legitimate needs of the Service.
- 4.9 If the Board approves a member's application for job sharing, the Participant(s) and the Board shall execute a Job Share agreement setting out all the terms of the Job Share. Such agreement shall be in a form agreed to by the parties and attached hereto as Appendix 1.
- 4.10 Subject to early termination, the duration of the Job Share agreement shall be one year, and may be renewed upon request of the Participant(s) and the written approval of the Job Share Committee.
- 4.11 The Board may hire a temporary employee to fill the vacancy created by a permanent full-time member who is participating in a Job Share and the provisions of Schedule "E" of the Working Agreement shall apply to the temporary employee.

5. Salary and Benefits

- 5.1 A Participant's entitlement to:
 - (a) annual salary;
 - (b) annual vacation;
 - (c) service pay;
 - (d) sick leave;

- (e) paid holidays;
- (f) accrued time;
- (g) shift premium;
- (h) special leave; and
- (i) cleaning allowance

shall be calculated at 50% of entitlement.

- 5.2 A Participant's entitlement to the allowances under Section 16.1, 16.2, 16.3, 16.5 and 16.6 of the Working Agreement is unaffected by the Job Share.
- 5.3 The Association shall determine its requirements for membership. Dues shall be as set by the Association from time to time for all members of the bargaining unit. The Association shall notify the Board in writing of its Dues structure and any changes thereto.
- 5.4 Participants are eligible for coverage under the insured benefits plan provided under Article 17.2 of the Civilian Working Agreement. The Board agrees to pay the full cost of premiums for group life insurance, accidental death and dismemberment insurance, and long-term disability insurance. The Participant may elect to participate in the extended health and dental plans, and if the Participant so elects he/she shall pay 50% of the premiums. The Board agrees to pay the balance of the premiums.
- 5.5 Pension contributions and credits will be adjusted in accordance with the OMERS regulations.
- 5.6 A Participant's service accumulates on a pro-rata basis according to hours worked.
- 5.7 Members shall receive 100% of their service pay entitlement earned prior to commencing a job share. During the period when a member is participating in a job share, service for the purposes of entitlement to service pay shall accumulate at a rate of 50%.

6. Hours Worked

- 6.1 A Job Share agreement will specify the days and hours of work for each Participant.
- 6.2 Participants may only change the Job Share agreement by:
 - (a) obtaining approval of their Supervisor; and
 - (b) obtaining approval of the Manager, Human Resources; and
 - (c) requesting changes to the schedule at least (10) days before the new schedule is to commence, unless otherwise approved by the Manager, Human Resources.

NOTE: The provisions of this section are not intended to impact on individuals who may make changes to their shifts with the approval of their supervisor.

7. Termination of a Job Share

- 7.1 Either participant in a job share agreement may apply to terminate the agreement prior to its expiry upon not less than three (3) months' written notice. The Job Share Committee shall make a recommendation to the Board regarding the application and the Board shall consider extenuating circumstances in determining whether to approve the application. Any approval shall address the return of the participants to their full-time positions.
- 7.2 If a Job Share agreement is terminated early for any reason except pursuant to paragraph 7.1 and if one Participant so requests, the Job Share Committee shall assist the Participant to locate another member who may be interested in participating in a Job Share.
- 7.3 The Job Share Committee shall continue to provide assistance to such member for a period of no less than 30 days.
- 7.4 While the Job Share Committee is providing assistance to the member, the provisions of the Job Share agreement continue to apply to that member. If a job sharing partner is not found in accordance with paragraphs 4.4 or 4.5, the Job Share agreement shall be terminated and the member may seek a part-time position in accordance with paragraph 4.6. Otherwise the member shall return to a full-time position in accordance with paragraph 8.1.

8. Return to Work

- 8.1 When a Job Share agreement expires, the Participant(s) is(are) entitled to return immediately to his/her last full-time position and if the member's last full-time position no longer exists, then that member is entitled to apply for the next available vacancy in a comparable position.
- 8.2 Upon the termination of a Job Share agreement, a temporary member who was hired as a Job Share partner may be terminated and the provisions of Schedule "E" of the Working Agreement shall apply.

9. Term of this Provision

- 9.1 The parties agree that Civilian job sharing is still being evaluated and that Schedule "F" shall be in effect until December 31, 2005.

SCHEDULE G – CIVILIAN WORKING AGREEMENT

JOB SHARE – CALL CENTRE (Complaint Takers & Communicators)

WHEREAS Schedule F of the Civilian Working Agreement outlines the terms and conditions of the Civilian Job Share;

AND WHEREAS the parties have agreed to implement a pilot project for job share applications within the Call Centre, specifically for complaint takers and communicators;

AND WHEREAS the provisions of this Letter of Understanding take precedence over the other provisions of Schedule F where there is conflict;

NOW THEREFORE the parties agree as follows:

1. Number of Job Share Arrangements Available

1.1 The Board shall make available four (4) job share arrangements (eight (8) half-time job share positions) to permanent members employed in the Call Centre each year.

(a) All four (4) job share arrangements shall have commencement dates beginning approximately April 1 and shall continue for a period of one year.

1.2 The parties agree that there will be one (1) job share arrangement offered per platoon each year. It is understood that all complaint takers and communicators within the Call Centre may apply for a job share opportunity regardless of the platoon to which they are currently assigned.

2. Implementation of the Pilot Project

2.1 Notwithstanding paragraph 4.2 below, the members in the current job share arrangement that is scheduled to run from November 2008 to 2009 shall have the following options:

(b) They may renew their current job share arrangement to April 2010 at which point they will be given first priority to renew their job share arrangement until April 2011. The job share will terminate in April 2011. Thereafter, any further application for a job share would be considered pursuant to paragraph 4.2 below.

3. The Application Process

3.1 The parties agree that an email notifying all communicators and complaint takers of the posting for job share arrangements and applicable dates thereof shall be provided as follows:

(i) Email notification shall be provided by the Employer by approximately November 1 of the applicable year

- (ii) Written reply/application shall be required within 20 calendar days thereafter
- (iii) Notification to successful candidates shall be made by the Employer by February 1 of applicable year
- (iv) Job share arrangements shall commence approximately April 1 of the applicable year

3.2 The Employer shall provide a list of members who have applied for job share positions to the members of the Job Share Committee.

4. The Selection Process

4.1 Where eight (8) or fewer permanent members apply for the four (4) job share positions available, all applicants shall be approved for the job share arrangement. Where one or two of the applicants do not have a partner in the same job classification (or with equivalent skill sets, i.e. where a member has not yet been signed off as a communicator) after the internal application process, the Board has the following options:

- (a) Permitting the unmatched applicant(s) to participate in a job share arrangement without a partner and the provisions of this LOU and Schedule F apply to the applicant as if he/she were a participant as defined in Schedule F;
- (b) Matching two applicants from two different job classifications (or skill sets, i.e. where a member has not been signed off as a communicator) into one job share arrangement; or
- (c) Hiring a temporary part-time employee to fill the other half of the job share arrangement(s) with the unmatched permanent member(s). Schedule F shall apply to the permanent member as if he/she were a participant as defined in Schedule F. Schedule E shall apply to the temporary part-time member with the following exceptions:
 - (i) The temporary part-time employee may be hired for an initial period not exceeding one (1) year, unless otherwise agreed; and
 - (ii) The employer may schedule the temporary part-time employee hired to fill a vacancy pursuant to this section to a half-time schedule for one year without first offering overtime to permanent full-time employees.
- (d) It is understood and agreed by the parties that Option (c) may result in more than eight (8) individuals participating in job share arrangements at one time. It is further understood and agreed however, that the maximum number of permanent members participating in a job share arrangement at any time will be eight (8), unless otherwise agreed.
- (e) It is also understood and agreed by the parties that there shall never be more than two (2) part-time temporary members in the Call Centre at any one time, unless otherwise agreed.

4.2 Where more than eight (8) permanent members apply for the eight (8) job share

positions available, priority shall be determined in the following manner:

- (a) Renewals – A permanent member who is currently in a job share arrangement and has been in the job share arrangement for one twelve (12) month-term or less shall be given first priority to continue in a job share arrangement for an additional year. A permanent member who is currently in a job share position and has been in the job share for more than one twelve month term shall be awarded a further job share position only where there are positions remaining open after all other permanent applicants have been accepted. A permanent member who wants to extend his/her job share arrangement pursuant to this paragraph shall make an application in the manner set out in paragraph 3.1.
- (b) Seniority – The Board shall award job share positions available after renewals are considered pursuant to paragraph (a), on the basis of seniority in the Service.
- (c) Permanent Members – If a permanent member applies for an available job share position and a temporary part-time member is currently filling half a job share position awarded in the previous posting, the permanent member shall be offered the position for the time remaining in the arrangement, provided he/she is in the same job classification and has an equivalent skill set to the temporary part-time member.

5. Filling long-term vacancies in the Call Centre

- 5.1 Where a vacancy is created in the Call Centre by 1) a permanent member who is absent on a leave of absence, including pregnancy/parental leave and periods of sick leave or compensable injuries greater than six (6) months, or 2) employees participating in a job share, the Board shall post the vacancy internally, pursuant to Article 35 of the Civilian Working Agreement.
- 5.2 The parties agree that the Board may simultaneously advertise these vacancies externally. Consideration for all postings will be consistent with Article 35 and Schedule E of the Civilian Working Agreement.
- 5.3 If no suitable internal applicant is found, the Board may hire a full-time temporary employee to fill vacancies created by 1) a permanent member who is absent on a leave of absence, including pregnancy/parental leave and periods of sick leave or compensable injuries greater than six (6) months, and 2) employees participating in a job share. The terms and conditions of employment for temporary employees shall generally be governed by Schedule E of the Civilian Working Agreement except as follows:
 - (a) The temporary employee may be hired for an initial period not exceeding one (1) year, unless otherwise agreed;
 - (b) The employer may schedule a temporary employee hired to fill a vacancy pursuant to paragraph 5.3 to a full-time schedule for one (1) year without first offering overtime to permanent full-time employees; and
 - (c) The employment of temporary employees may be renewed to fill

vacancies provided that after three (3) consecutive one (1) year contracts, the temporary employee shall be deemed a permanent full-time employee. A contract shall be considered consecutive if it commences less than 30 days after the expiry of the previous employment contract.

The Job Share Committee shall make a recommendation to the Board regarding the application and the Board shall consider extenuating circumstances in determining whether to approve the application. Approval shall not be unreasonably denied.
- 7.2 Where a job share arrangement is terminated by one partner who had been matched with another member in a job share arrangement, and the remaining partner wishes to remain in a job share position, members of the Call Centre shall be advised via email of the vacated job share position, and of the time remaining in the job share arrangement to determine if a suitable partner may be found.

- 8.1 Where a job share arrangement expires, the participants are entitled to return to their last full-time position. It is understood and agreed that return to a full-time position does not necessarily mean within the same platoon that the employee worked on immediately prior to commencing a job share or during the term of the job share.

9. Ongoing Review

- 9.1 The parties agree that this pilot project will be evaluated by the Job Share Committee on an on-going basis and further agree that the pilot project will remain in effect until December 31, 2011.
